Letters

Dear Editor,

Someone wrote in and told you he is a fan of the Goodies. Well, my Dad is a central heating engineer, and one day he had to go and check over the system at Tim Brooke-Taylor's house. While he was there he met all the Goodies.
MARGARET WILKINSON, Walthamstow.
And I bet they made him warmly welcome, too! . . . Editor.

Dear Editor,

We think your comic is fantastic, and we have bought it ever since it was first published. When we go on holiday we still have it delivered so that when we return we have something to look forward to.
ALISON & IAN SMITH, Bedford.

Dear Editor,

I am sending you a picture of my brothers and me in the boat that we took on holiday with us. The one in the middle is me, on the left is Martin, and on the right is Ian. I will never forget that holiday, it was one of the best yet.
JOANNE SIDAWAY, Stourbridge.
Glad to hear it, Joanne . . . Editor.

Dear Editor,

I suppose you could call me 'football mad'. I watch as much as I can on T.V., and love reading about the game as well as playing for my school, and for another side called Belmont United. My favourite team is Stoke City, and I would like you to print a picture of any one of their great players.
DEAN WHITLEY, Stanmore.

You live quite a way from Stoke, Dean, so I don't suppose you get to see the team very often, but I hope this picture of the side's Welsh International, John Mahoney, pleases you . . . Editor.

Dear Editor,

My hobby is dancing, and I go with my sister Jane every week. I do tap, ballet, acrobatics, and modern . . . and between us, my sister and I have won three cups, three shields, and sixty four medals.

KAREN WALLACE, Cheylesmore.

H'm, I wonder if you both lead your Mum a dance at home, too. Doesn't matter, though, because you've still waltzed off with £1 for having your letter printed . . . Editor.

Dear Editor,

I like WHOOPEE! as a comic, but I think it would be a nice idea if every month you published a WHOOPEE! paperback book, and sell it for about 25p. Do you agree it is a good idea?

JOHN PHILLIPS, Brighton.

I certainly do think it's a constructive idea, — but it's one that would need tremendous support from readers, and a lot of work from our hard-pressed contributors . . . Editor.

YOUR CREEPY CALENDAR

Carefully cut-out this week's first part of your calendar and stick it on card, if you have any handy.

Make two holes at the top, where the black dots are, and thread string, cotton or wool through the holes and tie the ends. Then your calendar will be ready to hang on the wall. Part two will be in next week's WHOOPEE!
